

**2008 FORE-H
Golf Classic**

4-H Golf Classic Committee

Jim Bohnsack, a 2006 4-H Hall of Fame inductee, continues to showcase his enthusiasm and support for Rock Island County Extension & 4-H by serving as namesake for the first annual

Fore-H Golf Classic! Jim has served Rock Island County 4-H as a former 4-H parent and now a 4-H grandparent, as a sheep show assistant, as a member of the Rock Island County Fair Board, and as Chairman of the Rock Island County Board. Jim knows first-hand the value 4-H has on positive youth development for our community. Please join him in supporting 4-H at this year's Golf Classic!

Golf for 4-H & Help QC kids become healthy, problem-solving, constructive adults!

Essential Elements of 4-H

4-H assists young people in becoming healthy, problem-solving, constructive adults. Using the Essential Elements, 4-H creates opportunities and environments that meet young people's needs and build life skills.

- Our 25 community clubs offers over 300 youth a chance each month for **Belonging**—youth don't join 4-H, they belong.
- 4-H specialty clubs—Companion Animals, Jr. Master Artists, Drama, Science, Teen Leadership, Horse Clubs and others—offer opportunities to experience **Mastery**.
- 4-H's emphasis on citizenship allows members to experience **Generosity** - as active and engaged citizens, while working on community caring projects.
- 4-H offers the chance to experience **Independence** - through teaching younger tuckermembers and assisting at camps, youth learn to make good choices and act as role models.
